**Day 1 · Saturday, 21 November 2026**
**Hall B (24)**

| S.No | Time | Speaker / Affiliation | Topic |
|---|---|---|---|
| 1. | 09:00–09:15 | Dr Jasmine | An exploratory study of monitoring the effects of different potency scales during Homoeopathic treatment by electrophotonic imaging |
| 2. | 09:15–09:30 | Dr. Shivani Parek | Individualised Homoeopathic Approach to Female Infertility: A Holistic Perspective on Assessment and Management |
| 3. | 09:30–09:45 | Dr. Randeep Nanda | Approach to Autism |
| 4. | 09:45–10:00 | Dr. Vikas Singhal | Innovative paradigm shift to Homeopathy in a case study of Chronic osteomyelitis |
| 5. | 10:00–10:15 | Dr. Khushbhu Navadia | To Evaluate the Role of *Calcarea carbonica* 30C as an Adjuvant Therapy for Dyslipidaemia Patients of Type 2 Diabetes Mellitus in Bhavnagar, Gujarat |
| 6. | 10:15–10:30 | Dr. O. P. Srivatsava | Thyroid Disorder and its Homoeopathic Management |
| 7. | 10:30–10:45 | Dr. CH. Harikrishna | Application of AI Tools in Day-to-Day Homoeopathic Practice |
| 8. | 10:45–11:00 | Dr. Shubhangee Mali | Utility of Hering's Law of Cure in Homoeopathic Management of Extrinsic Bronchial Asthma in Adult Age Group – A Non-Controlled Experimental Study: A Pilot Study |
| | **LIVE STREAMING OF THE INAUGURATION CEREMONY- IHC 2026 (11 AM TO 1 PM)** | | |
| | **LUNCH BREAK (1PM TO 2PM)** | | |
| 9. | 14:00–14:15 | Dr. Ambuj Shukla | Role of Homoeopathy in Foetal Anomalies: A Case of Unilateral Renal Agenesis (URA) |
| 10. | 14:15–14:30 | Dr. B. S. Mohan | A Vivid Journey through Evidence-Based Clinical Short Cases |
| 11. | 14:30–14:45 | Dr. Rasheed Akthar | Homoeopathy: A Ray of Hope in Hopeless Cases – A Case of SSPE |
| 12. | 14:45–15:00 | Dr. M. Prakasha Rao | Immunomodulatory Changes in Patients with Rheumatoid Arthritis Treated with *Rhus toxicodendron*: A Double-Blind, Randomised, Placebo-Controlled Research Study |
| 13. | 15:00–15:15 | Prof. Dr. G. Srinivasulu | Public Health Readiness – Homoeopathy in Epidemic Preparedness: Genus Epidemicus – Scientific Validation in Some Viral Epidemic Diseases |
| 14. | 15:15–15:30 | Dr. Rajesh Sofat | Renal Failure: A Homoeopathic Perspective with Documented Case Reports |
| 15. | 15:30–15:40 | Dr. Sujata Choudhary | Female Infertility and Homoeopathy: Case-Based Clinical Experience |
| 16. | 15:40–15:50 | Dr. Sana Tanvir Hussain | Role of Homoeopathy in PCOD |
| 17. | 15:50–16:00 | Dr. Sukhjeet Kaur Bathla | Individualized Constitutional Homoeopathic Treatment in HPV Positive Cases: A Two-Case Observational Series |

| | | | |
|---|---|---|---|
| 18. | 16:00–16:10 | Dr. Harjeet Thapar | Psorinum as a Constitutional Remedy – Atrophic Dermatitis |
| 19. | 16:10–16:20 | Dr. Suman Bagchi | A Case of Androgenetic Alopecia Treated with Individualized Homoeopathic Medicine Lachesis mutus and Assessed by the Norwood Scale |
| 20. | 16:20–16:30 | Dr. Kamlesh Kakde | Efficacy of Individualization in Treatment of Dystonia: A Case Report |
| 21. | 16:30–16:40 | Dr. Manoj Kuriakose | Understanding the Person Behind the Behaviour: A Structured Observational Framework for Individualized Homoeopathic Case-Taking in Autism and ADHD |
| 22. | 16:40–17:20 | **PANEL DISCUSSION - ROLE OF AYUSH IN TREATING RARE DISEASES WITH SPECIAL FOCUS ON HOMOEOPATHY** | |
| 23. | 17:20–17:40 | **Online Speaker - Dr. Robbert Van Haselen** | |
| 24. | 17:40–18:00 | **Online Speaker - Dr. Cathy May Lemmon,** | |

**Day 2 · Sunday, 22 November 2026**
**Hall B (34)**

| S.No | Time | Speaker / Affiliation | Topic |
|---|---|---|---|
| 1. | 09:00–09:15 | Dr. Pankaj Parashar | Challenges in Treating Environment-Related Diseases – Focus on Respiratory and Allergic Conditions |
| 2. | 09:15–09:30 | Dr. Pankaj Nimje | From Fear of Incurable Disease to Recovery: Homoeopathic Management of Health-Related Delusion in a Patient with Anxiety Disorder – A Case Report |
| 3. | 09:30–09:45 | Dr. Vaijayanti Nagarkar | Value of Clinical Symptoms in Decoding the Constitution of Non-Expressive Patients behind their Psoriatic Plaque |
| 4. | 09:45–10:00 | Dr. Preethi Jha | Individualized Homoeopathic Management of Ovarian Endometrioma (Chocolate Cyst) with *Natrum muriaticum* 200: A Case Report |
| 5. | 10:00–10:15 | Dr. M. V. N. Jyothi | Shrinking, Not Scalpels: A Whole-Person Approach to Fibroids |
| 6. | 10:15–10:30 | Dr. Deshpande Vishal | Constitutional Similimum in the Management of Vitiligo: A Case Series |
| 7. | 10:30–10:45 | Dr. Satish Krishna | Evidencing the Principle of Generalization: Sulphuric Acid in Gangrene and *Bufo rana* in Psoriasis |
| 8. | 10:45–11:00 | Dr. Navneet Sharma | Prognostic-cum-Posological Model for Integrative Palliative Homoeopathic Oncology |
| 9. | 11:00–11:15 | Dr. Ravinder Chinta | Human Genome Project Data – Ample Scope for Innovative Homoeopathic Research on Cancer |
| 10. | 11:15–11:30 | Dr. Yogesh Niturkar | Importance of Case Reports in Homoeopathy: A Case-Based Approach |
| 11. | 11:30–11:40 | D. Dharani | Biosynthesis and Characterization of Silver Nanoparticles Using *Echinacea angustifolia* Homoeopathic Mother Tincture: A Nanoparticulate Study |
| 12. | 11:40–11:50 | Dr. Shilpi Rastogi | Entrustable Professional Activities as a Curriculum Innovation in Competency-Based Homoeopathic Medical Education: A Narrative Review with Proposed Framework |
| 13. | 11:50–12:00 | Dr. Mrinalini Nayak & Dr. Nivedita Mandal | Scars Beyond the Visible – Neurobiological Understanding and Homoeopathic Perspective of PTSD |
| 14. | 12:00–12:15 | Dr. Shivang Swaminarayan | From Co-Location to Co-Management: Policy Advocacy for Homoeopathy in Integrative Care |
| 15. | 12:15–12:30 | Dr. Nayeem Unnisa Begum Kalaburagi | Integrating Homoeopathy as an Adjuvant Therapy in Palliative Care to Enhance Quality of Life in Cancer Management |
| 16. | 12:30–12:40 | Dr. Vatsana Kasana | Effect of Individualized Homoeopathic Treatment on Serum C-Reactive Protein Levels in Patients with Chronic Obstructive Pulmonary Disease: A Prospective Study |
| 17. | 12:40–12:50 | Dr. Suresh Kumar P | Constitutional Homeopathic Treatment of Chronic Atopic Dermatitis by Using Graphites Homoeopathic Remedy |
| 18. | 12:50–13:00 | Dr. Nimish Mehta | Scope of Homoeopathy in Genetic Disorders |

| | | | |
|---|---|---|---|
| **LUNCH BREAK (1PM TO 2PM)** | | | |
| 19. | 14:00–14:15 | Dr. Swapna S. Thorat | Individualized Homoeopathic Management of Anxiety and Associated Psychosomatic Complaints – A Descriptive Case Series |
| 20. | 14:15–14:30 | Dr. Shalini M. Sharma | Exploring the Role of Indicated Homoeopathic Medicine on Quality of Life Assessed by Migraine Patients – An Uncontrolled Experimental Study |
| 21. | 14:30–14:45 | Dr. G. Krishna Murthy | Role of *Conium maculatum* in Treating Hormonal Disorders |
| 22. | 14:45–15:00 | Dr.Deepak Verma | Psoriasis – An Unchosen Costume |
| 23. | 15:00–15:10 | Dr.Mohd Irfan | Restoration of Menstrual Function and Uterine Development in Isolated Uterine Hypoplasia Using Individualized Homeopathic Treatment: A Case with Ultrasonographic Evidence |
| 24. | 15:10–15:20 | Dr.Samar Chatterjee | Individualized Homoeopathic Medicine in Surgical Cases: A Case Series |
| 25. | 15:20–15:30 | Bainu Sharma &<br>Dr. Pindi Sowmya Chandra | From Simillimum to Conception – A Case Series on Female Infertility Treated with Individualized Homoeopathic Medicine |
| 26. | 15:30–15:40 | Dr. Gampa Umarani | Individualized Homoeopathic Management of Alopecia Areata – A Case Report |
| 27. | 15:40–15:50 | Dr. K. Kalpavalli | Homoeopathic Management of Palmoplantar Psoriasis with Hyperkeratotic and Fissured Lesions: A Case Report |
| 28. | 15:50–16:00 | Dr. Kalyani Koya | Individualized Homoeopathic Management of Chronic Hepatitis B: A Case Report with Clinical, Virological, and Elastographic Follow-up |
| 29. | 16:00–16:10 | Dr. Meenakshi Soni | An Acute Case Report Exploring the Psychosomatic Axis – By Individualized Homeopathic Reportorial Approach |
| 30. | 16:10–16:20 | Dr. E. M. S. Sakthi | BDI-II-Based Screening and Prospective Evaluation of Individualized Homoeopathic Management with LM and CH Potencies among Undergraduate Students in and around Hyderabad: A Pilot Study |
| 31. | 16:20–16:30 | Dr. Trupti Laxmi | Effectiveness of *Lecithinum* 30C in Microcytic Anaemia by Monitoring Mean Corpuscular Values and Haemoglobin Levels in the Age Group 15–45 Years |
| 32. | 16:30–16:40 | Dr. Ayesha Naaz | Nanoparticle Detection and Characterization in High-Dilution Homoeopathic Preparations: A Systematic Review of Analytical and Experimental Evidence |
| 33. | 16:40–16:50 | Dr. V. Sravani | The Spectrum of Aggression in Psychiatry: A Case-Based Exploration of Integrative Management |
| 34. | 16:50–17:00 | Dr. Viraj Kumar | Longitudinal Expansion and Operational Dynamics of JIMS Outreach: Integrating Homoeopathy at Grassroots – A 7-Year Model across 25 Villages and 36 Schools in Ranga Reddy, Telangana |
